

**Welcome to
Academic Year 2023-24!**

We hope you had a restful summer with some travel

Academic Portfolio Review (Overview)

<https://provost.uncg.edu/uncg-academic-portfolio-review-timeline/>

Steps 1-2: Establish process & appt. Portfolio Review Task Force (PRTF)

Step 3: PRTF: Develop a Rubric for Program Evaluation [Summer 2023]

Examples: Academic Program Demand & Instructional Productivity/Efficiency; Student Success. Etc.

Step 4: Feedback & Refinement of Rubric [Aug.-Sept. 2023]

Step 5: (CAS)—Review of programs in CAS based on established metrics [Sept. to Dec. 2023]

[details on next slide]

Scores= (4) Exceeds expectations; (3) Meets expectations; (2) Approaching expectations;

(1) Needs examination

Step 6: Campus stakeholder open forums scheduled for the purpose of explaining decisions and next steps [Jan. 2023].

Academic Portfolio Review (Step 5)

Step 5 (CAS)—Review of programs based on established metrics [Sept. to Dec. 2023]

Phase 1A: [Sept 12-Oct 12]

- We will use the **CAS senior staff**** with two additions: Nancy Bucknall (director of CAS advising) & Kimberlianne Podlas (representative of department heads) to make recommendation to CAS B&P.

**Dean, Associate Deans (Adamson, Bolton, Heyn), Assistant Dean (Cipolone), Chief of Staff (Wright)

Phase 1B: [Oct 13-Oct 27]

- Departments with programs in *Approaching expectations* (2) & *Needs examination* (1) will provide contextual information limited to 1000 words (contextual data form). All comments should be provided via the dept. Head.

Academic Portfolio Review (Step 5) *continued*

Phase 2: [Oct 27-Nov 22]

- CAS Budget & Planning Committee (B&P) which is representative of the departments and is largely an elected committee will make an independent recommendation.

Phase 3: [Nov 27-Dec 8]

- Based on the outcomes of Phase 1 and Phase 2 above, Dean will make a unit-level recommendation on program continuation/discontinuation, which will be brought to the Provost and/or Academic Council for final recommendations. The Provost will present recommendations to the Chancellor, who will make the final decisions.

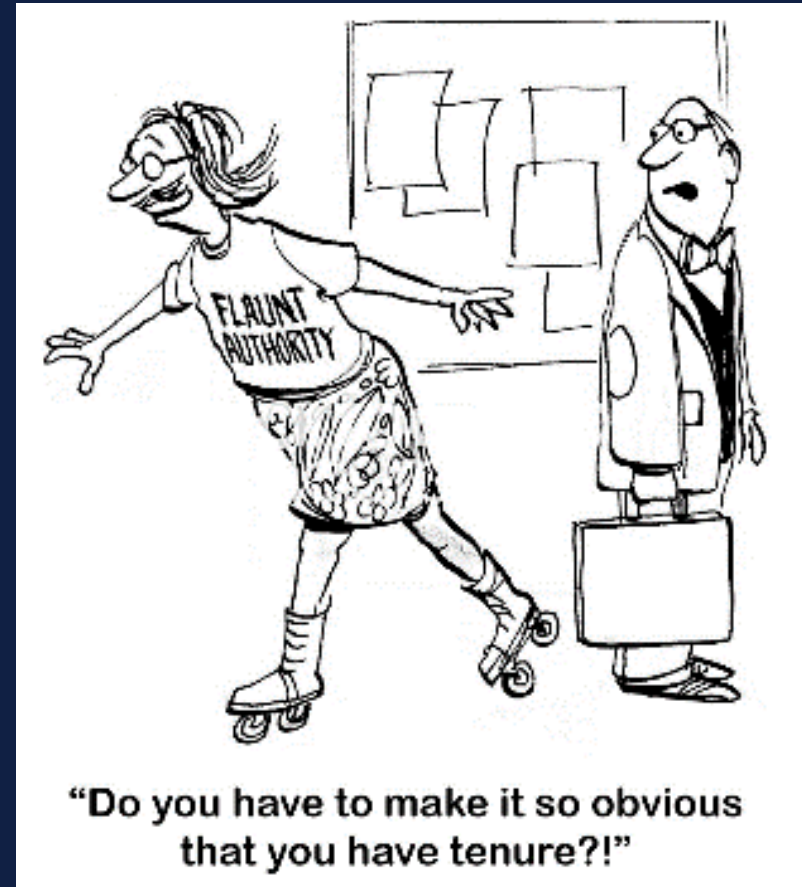

Phase 4: [Dec 11-Dec 20]

- Based on decisions made in Phase 3, relevant steps and appropriate policies would be followed to sunset individual programs (communications to impacted faculty, students, and staff; development of teach out plans, etc.).

Congratulations to our TT
faculty who were promoted!

Promotions to Associate Professor with Tenure:

- **Heather B. Adams**, English
- **Trevor A. Hoppe**, Sociology
- **Sally E. Koerner**, Biology
- **Tad P. Skotnicki**, Sociology
- **Yi Zhang**, Mathematics & Statistics

Promotion to Full Professor

- **David R. Bickel**, Informatics and Analytics
- **Igor Erovenko**, Mathematics and Statistics
- **Veronica Grossi**, Languages, Literatures, and Cultures
- **Travis L. Hicks**, Interior Architecture
- **Ana M. Hontanilla**, Languages, Literatures, and Cultures
- **Holly G. Jones**, English
- **Etsuko Kinefuchi**, Communication Studies
- **Arielle T. Kuperberg**, Sociology
- **Ignacio Lopez**, Languages, Literatures, and Cultures
- **Noelle A. Morrissette**, English
- **Lisa C. Tolbert**, History
- **Gideon Wasserberg**, Biology

CAS faculty have published more than 14 books in the past year!

CAS Dean's Award for Diversity & Inclusiveness

2023 Winner:

**Dr. Jeff Kaplan (PHI) and the
UNCG Prison Education Program**

Presentation:

Tuesday, Sep. 26 | 4 p.m.
Alumni House, Oakley Family Room

Kaplan (right) with a former student in California.

Capital Campaign

OUR MISSION

To inspire connections, investments, and engagements that drive excellence and opportunity.

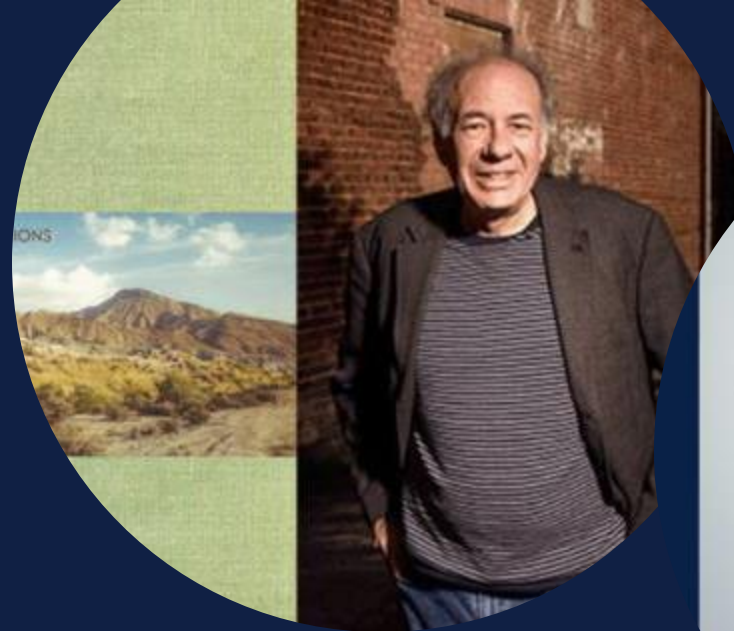

OUR VISION

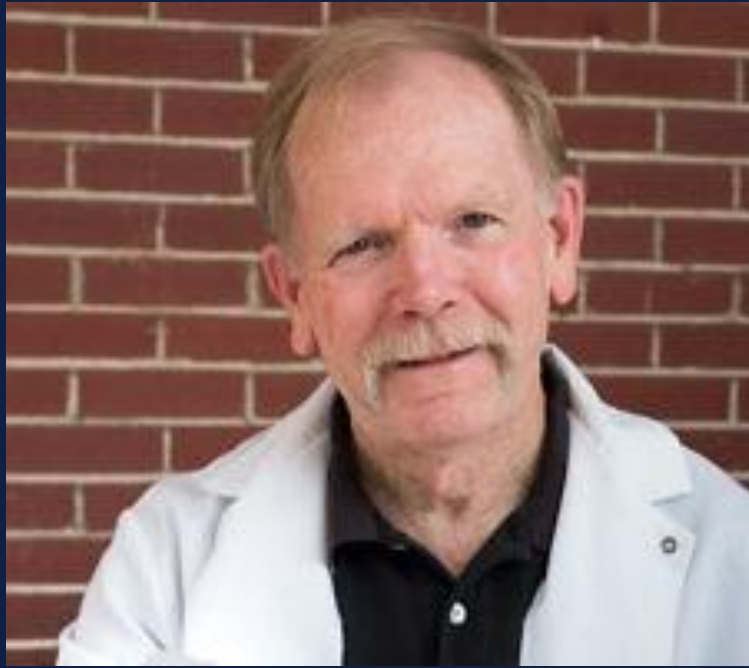

A University that illuminates potential, eliminates barriers, and ignites achievement.

Halfway in campaign: 102% of \$15 million goal

Research in CAS

- Teacher-scholar model
- Benefits to students: direct & indirect
- Excellent faculty with interesting research/creative agenda

New Highs in Research Funding!

- UNCG: \$67.6 million in grants from outside funding agencies.
- CAS: \$12.9 million in external funding, more than any other college or school at UNCG – and an 18 percent increase over last year!
- Highest totals:
 - Biology (\$3.2 M)
 - Chem & Biochem (\$3.2 M)
 - Psychology (\$2.1 M)
 - Computer Science (\$1.9 M)
 - Mathematics & Stat (\$1.4 M)
